

Talented bunch required!

Pizza is serious business when you work for Domino's Pizza – seriously good fun that is!

Have you got the right ingredients? At Domino's Pizza we're looking for people (full or part time) with a generous helping of positive attitude, coupled with a dollop of enthusiasm, a sprinkling of drive and a pinch of passion to serve up unrivalled customer service.

Positions in our stores vary and you'll be expected to cross train in all positions so that you can really make a difference to the service we provide and contribute to the work of the team.

All in-store crew must be above school leaving age.

BIG CHEESE IN TRAINING

Trainee Manager opportunities with Domino's can give your career that extra boost you've been looking for. We'll get you ready for stardom and you'll prove you can swim with the big boys. Interested? Then here's your chance. Once fully trained you'll be ready to take over a store at short notice and lead in the Domino's tradition – from the front. You'll also be able to fine tune your managerial skills whilst paving your way to a career as a Store Manager.

We'll provide you with a comprehensive induction and training programme. If you can sell more pizza and have more fun and are passionate about customer service then contact us. A sense of humour is a must.

PIZZA CHAUFFEURS

We're looking for drivers. If you've got the drive (get it?) and you think you can be entrusted with the safe delivery of our pizzas to our customers, then we'd like to talk to you. As you'll be representing Domino's you'll naturally be friendly, courteous and always ready to help.

- To drive one of our own vehicles you must be at least 21 years of age, have no more than 6 penalty points on your licence, no driving convictions or been banned from driving in the last 5 years.
- Owner drivers must be 18 years old and have a full UK/EC or International licence.
- Moped drivers must be 18 years old and have at least a provisional licence and CBT certificate.

PIZZA PROS

If you've got the fastest hands in the West then we'll make them fast in the North, East and South too. In fact, we'll train them until they're able to make the best pizza in town anywhere in the UK – pretty impressive when your friends come to dinner!

CHATTER BOXES

If you've got the voice of an angel, are always upbeat and ready to help, then you're the person we want to speak to our customers. Our customers are very special to us – without them we're nothing. So you can understand why we don't want them spoken to by any old Thomas, Richard or Harriett.

OVEN TENDERS

9 out of 10 not good enough? ...then we want you. Our pizza perfectors can spot imperfections at 100 yards and won't settle for anything but the best. If you want to join 'The Perfectors' and you have an eye for quality and detail then give us a call.

We do great deals on a Careers too!

BIG CHEESE

Are you the man (or woman) who always has the plan? YES.
Can you lead where others only follow? YES.
Can you speak 7 languages? NO, well neither can we, so don't let that put you off applying for the job as a Domino's Store Manager.

We are looking for managers that can really add value to our team by motivating and leading a hard working team. As long as you've got a proven track record in people management, can demonstrate your knowledge of people best practice and can convince us that you'll be able to make a positive contribution to our work, then we'd like to speak to you.
